THE NATIONAL LEVEL IT QUIZ FOR TECH SAVVIES

To
The Principal

Dear Sir / Madam,

It gives us great pleasure to introduce BBCIT, which was established in 1991 and has been conducting several IT Courses affiliated to Osmania University.

BBCIT students have been conducting ABACUS IT quiz festival for the last 24 years, which attracts participation from students of several colleges across India. Year after year, the number of participating students have been increasing, and so is the level of the Quiz. The winners of ABACUS 2016-17 are A. Jyothsna Ammani and K. Bhavya of Little Flower College.

This year, ABACUS is slated for 17th March (Saturday). We request you to depute your talented students to participate in the festival. The main event of ABACUS is the computer quiz, wherein the best team will win the coveted **Laxminivas Badruka Rolling Trophy** and the participants get individual prizes. The winning duo will also receive the prestigious **Master Minds 2018 Award**.

The competitors are to be in teams of two each. Students from any UG/ PG program are eligible. Any number of such teams can participate and the teams have to register latest by 17th March, 2018. The Registration fee for each team is Rs.100/-. Outstation students may be provided boarding and lodging on request and on paying the requisite charges.

We request you to confirm the participation of your students either through e-mail or phone. May I request you to display the enclosed poster and give wide publicity to the event please?

Thanking you,

Yours sincerely
Dr DVNS Murthy
Director
