BADRUKA COLLEGE OF COMMERCE AND ARTS

(Affiliated to O.U., Re-Accredited by NAAC with B++ and ISO-21001-2018 Certified College)

SETH GHASIRAM GOPIKISHAN BADRUKA EDUCATIONAL SOCIETY (SGBES)
Kachiguda, Hyderabad - 500 027.

ABOUT THE COLLEGE

Badruka College of Commerce and Arts was established under the aegis of Seth Ghasiram Gopikishan Badruka Educational Society in the year 1950. We are proud of being the first Commerce Degree College affiliated to Osmania University. The main motto is to impart quality education with adequate practical exposure and shape the students into responsible citizens.

Our College has become a byword for academic and extracurricular achievements. It has long been recognised as a premier institution of higher learning in South India. As a centre for academic excellence and achievement, it has emerged as one of the finest institutions for commerce and management education.

With the eminent team of faculty members, we not only aim at academics but also concentrate on the holistic development of the students.

ABOUT INDIAN ACCOUNTING ASSOCIATION (IAA)

The Indian Accounting Association is an interface between academicians, professionals and practitioners from various universities, business, industry and government. The main function of IAA is to promote and disseminate the knowledge of accounting and the related subjects in India and abroad. Further, it aims to undertake and encourage research in the field of accounting. Ever since its inception, the IAA has served as an important forum for raising the status of accounting both as a discipline and as an important tool for managerial decision-making.

The IAA Hyderabad branch was established in 2003. It has 360 life members and is actively involved in organizing conferences and seminars on various accounting related themes. In the year 2005 and 2021, IAA Hyderabad branch successfully conducted conferences with the association of Commerce Department, Osmania University, Hyderabad.

ABOUT THE SEMINAR

As India marches towards the vision of Viksit Bharat 2047, the role of accounting professionals becomes pivotal in shaping a transparent, accountable, and sustainable economic ecosystem. Accountants are not merely record keepers; they are strategic partners in national development. Their concern lies in ensuring financial integrity, ethical reporting, and adherence to evolving standards in a rapidly digitalizing economy.

Their commitment is reflected in their continuous adaptation to emerging technologies such as Artificial Intelligence, Blockchain, and Data Analytics, which are revolutionizing financial management and governance. By embracing innovation and upholding professional ethics, they strengthen public trust and corporate credibility.

The contribution of accounting professionals extends beyond balance sheets – they drive financial inclusion, promote fiscal discipline, and support policy formulation through accurate and timely information.

As the nation envisions a \$10 trillion economy by 2047, accountants play a key role in ensuring economic stability and sustainable growth.

This seminar aims to explore how the accounting fraternity can align its vision and actions with the national mission of building a Viksit Bharat – a prosperous, transparent, and globally competitive India.
